

allNovaScotia.com is delivered to 6000 of Nova Scotia's top business decision makers every day.

These paying subscribers, who represent over 1,500 businesses, see value in spending 8-10 minutes every morning reading this analytical, in-depth business news service. The information helps them effectively control the majority of the province's public and private budgets.

If your firm is looking for increased business-to-business exposure, or if it is marketing to a high-end consumer audience, an advertisement in allNovaScotia.com means your message is on target, on time and on budget.
